GLAMOUR

CASE
STUDY

The Glamour Awards

Event

We Glam up for the Glamour Woman of the Year Awards! We have supplied the event structures for the Glamour Awards for the last 7 years. It is hosted in Berkeley Square, Westminster, London.

Requirement

Each year we supply approximately 2,000sqm of Premier event structures and Ultimate pagodas to create a temporary venue. The event structures are used to accommodate:

- A red carpet reception
- Outdoor courtyard
- Award and dining hall
- Interview areas
- Toilets
- Cloakrooms
- Kitchen
- Staff areas

To make the most of the leafy surroundings of Berkeley Square the 'red carpet' reception event structure features a clear view roof. The main dining hall event structure has a black out roof skin to prevent natural light from affecting the filming.

Requirement

We are thrilled to be part of this high profile event and even more thrilled that we are now a preferred supplier of event structures within Berkeley Square.

Thank you very much for all your hard work on another amazing Glamour Awards. You all do such a great job to make the event look so amazing and run smoothly, and the show was flawless. Feedback from the client this morning has been superb. Looking forward to next year! Thank you again.
